

The Parish of St. Paul's Church, Banbury

Parish policy on recruitment and DBS criminal records checks

Please note: in relation to volunteers applying to help in the ministries involving children and vulnerable adults, the appointment will not commence until the applicant has been a member of the church for at least 6 months.

1. This Parish is committed to the recognition of each person's skills, experience and qualifications. We shall attempt to ensure that these are fully considered in the recruitment and appointment of paid staff and volunteers.
2. We shall assess all positions (whether for paid staff or volunteers) in order to determine whether a check is required from the Disclosure and Barring Service and, if so, at what level. For those positions requiring a Disclosure, we shall indicate to the applicant the level of check needed and make clear that any offer of position will be subject to the receipt of satisfactory information from the DBS.
3. Where a position involves working with children (0 - 18) or vulnerable adults, we will ask applicants to complete an application form (including providing names of 2 referees) and also a Diocese of Oxford Confidential Declaration form.
4. Where a position involves a DBS check, we shall encourage all applicants invited to an interview to provide details of any criminal record before the interview.
5. We shall obtain DBS checks for volunteers through an appropriate registered body and shall advise the Diocese which registered body we use.
6. If the Diocese advises that a DBS check contains information relevant to the position, we shall work with Diocesan staff to assess the risks and agree a course of action.
7. We shall follow Diocesan guidance on the renewal of applications for DBS checks.
8. We shall ensure that DBS check information is passed only to those entitled to receive it.
9. We are committed to the fair and sensitive use of DBS check information. We shall refer to the Diocese any complaints about the DBS check process or the accuracy of DBS check information so that appropriate action can be taken; this may involve the use of the formal complaints procedure.
10. In dealing with all matters relating to Disclosure, we shall comply with the Disclosure and Barring Service's Code of Practice. We shall also comply with Diocesan policies and follow Diocesan procedures and guidance.

Each person who works within this church community will agree to abide by this policy and the guidelines established by this church.
